Dear Spamboreers:

Well friends, Teardrop Spamboree 9 is upon us and I believe it has finally outgrown its old home at Guajome park. The last 2 years alone we have had over 40 campers on our waiting lists and I am making some changes to try to accommodate all of you who wish to attend. On my travels back from Spamboree 8 I found a great new campground that is only about 20 miles from Guajome park. It's still off the 15 freeway right next to Oceanside, its just East rather than West.

Its called Woods Valley Kampground and its great! It has a stocked fishing pond, a general store, lush grass picnic and recreation areas, lots of trees, and even a great swimming pool! And the best part (for you returning Spamboreers), **NO DOUBLING up in the sites! That's right, everyone gets their own campsite!** Of course you can still share a site with a friend if you would like to because we reserved an area that will accommodate doubling up. If you are interested please indicate on the registration form who you would like to double, or triple up with.

Woods Valley is located at 15236 Woods Valley Road, Valley Center, CA 92082 and their phone number is 760-749-2905. Visit their website for more information: www.woodsvalley.com. With all of the changes, and all of the other things involved with switching to a larger campground, as well as getting prepared for a lot more campers, please bare with me and I'll do the best I can to make it great for all!

Aloha! Damian

...and now!!!!
